

INDIAN INSTITUTE OF TECHNOLOGY MADRAS
Standing Advertisement dated 31.08.2009

Institute Hospital

The institute hospital is equipped with facilities to take care of the general health problems faced by more than 13,000 students, faculty, staff and their families.

Apart from the medical officers for general medicine, paediatrics and gynaecology, visiting specialists are available for general surgery, E.N.T, ophthalmology and psychiatry. The in-patient service can cater to 35 patients at a given time. Duty doctors and supporting staff are available on call as part of the 24-hour emergency service.

The Institute Hospital maintains its own website at <http://www.hospital.iitm.ac.in>

IIT Madras invites applications for the following posts on contract basis in the Institute Hospital initially for a period of one year which may be renewed on good performance.

1. Junior Medical Officer

Qualification:

Passed MBBS of a University recognized by the Indian Medical Council and must have successfully completed the Compulsory Rotatory Resident Internship (CRRRI).

Experience:
