## Post Doctoral Fellowship for women with Break in career

IIT Madras offers PDF for women with Break in career with Ph.D. with an objective of maintaining awareness and interest in high quality academic research in the engineering departments of Aerospace, Applied Mechanics, Biotechnology, Chemical, Civil, Computer Science & Engineering, Electrical, Engineering Design, Mechanical, Metallurgical & Materials and Ocean and in the departments of Chemistry, Humanities & Social Sciences, Management Studies, Mathematics and Physics.

The focus of the scheme is primarily to sustain and nurture the involvement of women with Ph.D. who could not pursue their interest in research due to personal / professional reasons. In other words the scheme is not intended for career advancement of those for whom alternate avenues for research are open and available.

**Eligibility:** Candidates should have a Ph.D. in the appropriate discipline.

**Break in Career :** Minimum 2 years' break is required after Ph.D. award.

**Age :** There is no upper age limit.

**Candidates already employed are not eligible to apply.**

**Duration :** The duration of the fellowship will vary from 2 to 6 months, consisting of 2 to 3 visits, each visit not less than two months. After the first visit, the Department at its discretion may extend the fellowship to a maximum total duration limited to **ONE YEAR**.

### Details of Support:

- Rs.58,000/- (consolidated) per month.
- For married women PDF, if they are not provided accommodation within the campus, HRA will be provided as per Central Government norms.
- Return Train Fare by II AC from place of residence in India to IIT Madras.
- Suitable accommodation as per IIT norms will be offered, if requested and, if available.

Application form and other details can be downloaded from <http://www.iitm.ac.in>. The soft copy of the duly filled-in applications (in the prescribed format only) has to be sent by email to [resipdf@smail.iitm.ac.in](mailto:resipdf@smail.iitm.ac.in) along with the relevant documents (in PDF Format).

Applications are received throughout the year and the candidates will be intimated about the availability by the respective departments.
