Applications are invited for temporary post of “Senior Research Fellow” for the “CSIR” project on “Examining the role of FANCA and FANCC Proteins in the regulation of hematopoietic stem cell self renewal and differentiation through wnt/notch signalling pathway” in the Department of Biotechnology.

Other things being equal, preference will be given to SC/ST candidates.

**Duration:** Initially for a period of one year. Extendable based on the performance.

**Qualification:** M.Sc with NET/JRF OR ICMR JRF or With 3 year experience in molecular biology techniques.

**Fellowship:** Rs.28,000/-p.m. + HRA 30%

The Co-coordinator has the discretion to restrict the number of candidates to be called for the interview to a reasonable limit on the basis of qualification that are higher than the minimum prescribed in the announcement.

Application in the form of Biodata/Resume (attached with the announcement) giving name, date of birth, age, address, full details of educational qualifications (stating the marks, ranks, year of passing), community and experience etc., along with copies of certificates, should reach the following address on or before 15.09.2017. Candidates already working in any project at IIT Madras, should send their application through the Co-ordinator of the project.
