1.0 About the Act

2.0 About Organization:

2.1 Name:

Indian Institute of Technology Madras, Chennai 600 036, Tamil Nadu

2.2 Particulars of Organization:

(1) Objective of the Institute:

The primary objective of the Indian Institutes of Technology is to provide scientists and technologists of the highest caliber who would engage in research, design and development to help building the nation towards self-reliance in her technological needs.

(2) Brief history of the Institute:

Indian Institute of Technology Madras (IITM) at Chennai has established a reputation, both nationally and internationally, for excellence in Technical Education, Research and in Consultancy. IITM is one among the foremost institutes of national importance in higher technological education, basic and applied research.

It all began in 1956, when Pandit Jawaharlal Nehru, Prime Minister of India, was on an official visit to West Germany and was offered assistance by the Government of the Federal Republic of Germany, to set up a higher technological institute in India. This resulted in the signing of the first Indo-German Agreement in Bonn in 1959, for the establishment of an Indian Institute of Technology at Madras. On July 30, 1959, Prof. Humayun Kabir, the then Union Minister for Scientific Research and Cultural Affairs, inaugurated the Institute.

IITM is a residential institute with nearly 426 faculty, 5641 students and 750 administrative & supporting staff and is a self-contained campus located in a beautiful wooded land of about 250 hectares. It has established itself as a premier centre for teaching, research and industrial consultancy in the country.

The Institute has sixteen academic departments and a few advanced research centres in various disciplines of engineering and pure sciences, with nearly 100 laboratories organised in a unique pattern of functioning. A faculty of international repute, a brilliant student community, excellent technical & supporting staff and an effective administration have all contributed to the pre-eminent status of IIT Madras. The campus is located in the city of Chennai, previously known as Madras. Chennai is the state capital of Tamilnadu, a southern state in India.
(3) Vision / Mission:

Vision:
To be an academic institution in dynamic equilibrium with its social, ecological and economic environment striving continuously for excellence in education, research and technological service to the nation.

Mission:
- To create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with due consideration for ethical, ecological and economic issues.
- To pursue research and disseminate research findings.
- To provide knowledge-based technological services to satisfy the needs of the society and the industry.
- To help in building national capabilities in science, technology, humanities, management, education and research.

(4) Quality Policy:
To pursue global standards of excellence in all our endeavours namely, teaching, research, consultancy and continuing education and to remain accountable in our core and support functions through processes of self-evaluation and continuous improvement.

(5) Core Values:
